George Sowden Lamps

Following the success of his PL1 Lamp, designer George Sowden has developed this expanded collection. The portable lamps charge via USB while the table, floor and pendant lamps are powered by standard plug-in. Each features a contrast-color shade made from silicone—a material that Sowden discovered is a great diffuser of light.

Nathalie Du Pasquier Hooks Coat Rack

Nathalie Du Pasquier, a founding member of the Memphis Design Group, brings her signature postmodern sensibility to this design produced by Danish brand Raawii.

George Sowden Recycled Aluminum Thing Stool

Sowden brings his Memphis aesthetic to this stool that's produced by Danish brand Raawii. Thing is suited for both indoor and outdoor seating or as a side table.

Omar/Raawii Collection

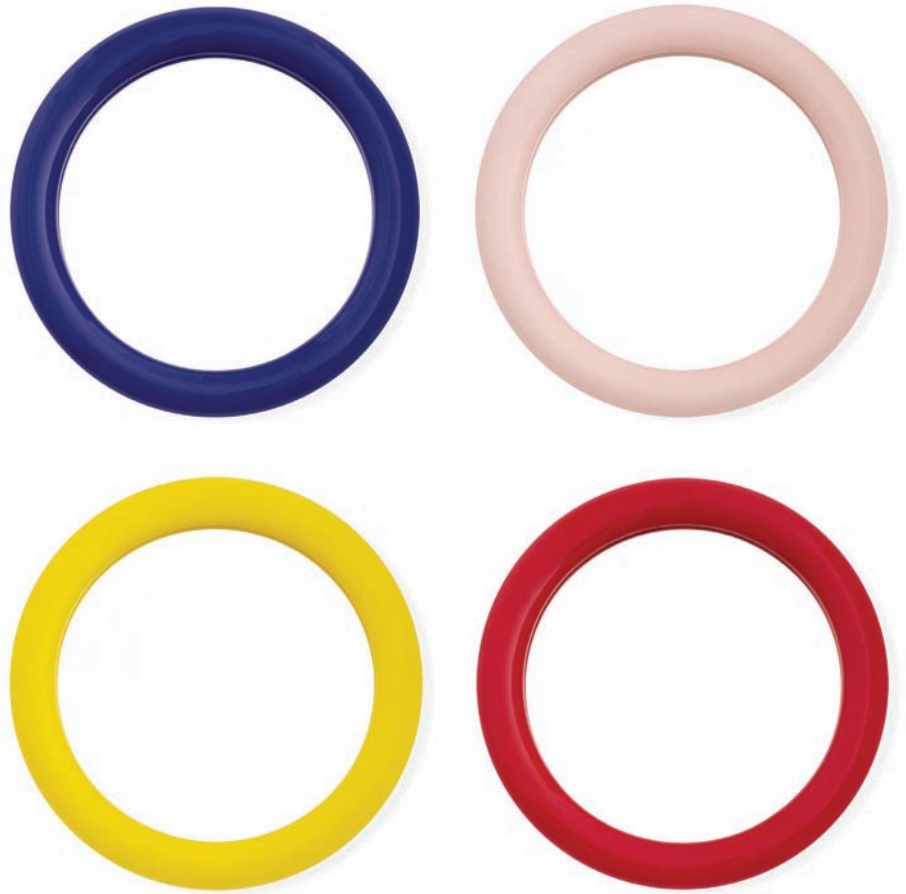

The team at Copenhagen-based brand Raawii has partnered with Omar Sosa, founder of *Apartamento* magazine, to create this new collection of stackable, glazed earthenware vessels that are made in Portugal.
